History

VISTA LINDA has been and is still a name remembered for authentic "made from scratch" Mexican food. Joe Minjares and his sister, Anita, started the original restaurant in 1970. I purchased the business in 1981, so Joe could retire. The VISTA LINDA continued to be the home away from home for great food and good conversation to many of the local people. It has been a favorite meeting place for those many families and friends who live here, and also those who come to visit the valley each year. The original facility was sold in December of 1990 and the new restaurant was opened in 1998. VISTA LINDA offers private luncheons, dinners, and on or off premise catering. The addition of the new pavillion and barbeque area is available for weddings, reunions and group gatherings. VISTA LINDA has been blessed with many wonderful customers, both new and old. We at VISTA LINDA hope that your dining experience with us will not be your last and want you to know that your business is greatly appreciated.
